Spartanburg County is riding a wave of momentum in all facets of our economic development strategy. We remain a regional leader in job creation and industrial growth, as evidenced by BMW Group's \$1.7 billion announcement in October. And thanks to intentional recruitment efforts, Spartanburg continues attracting knowledge-based and corporate jobs, with several key office development projects coming in the near future.

Downtown Spartanburg continued its evolution into a 24-7 destination, with newcomers living and working downtown thanks to new residential developments and professional opportunities. Pedestrian traffic increased from 33k in 2021 to 45k in 2022. The City of Spartanburg's Morgan Square Committee is committed to a strategically-redesigned square, better able to grow alongside Spartanburg. And thanks to the penny sales tax, construction is ongoing on Spartanburg County's new Judicial Center, with additional projects coming soon.

Steps we've taken to advocate on behalf of our business community led to significant wins in 2022. In collaboration with public and private partners, our Small and Minority Business Development Strategy was funded to the tune of \$6 million by Spartanburg County Council. In addition, advocacy efforts at the state level led to increased funding allocations in the state budget, allowing for transformative projects across Spartanburg County to move forward.

Thanks to tourism development growth, much of it generated by sports tourism wins, we are more able than ever before to drive business to Spartanburg County hotels. With growth in events, conferences, tournaments, and more hosted in Spartanburg—like our first NCAA Division I level event, set for later this year—comes growth in hotel room nights, restaurant spending, and the overall economic impact visitors have in our community.

Spartanburg County

Formed in 1785, Spartanburg County and its county seat were named for the Spartan Regiment, a local militia unit that fought in the Revolutionary War. The county has grown from a frontier trading post and later a major textile center to an important, more diversified, manufacturing center. Spartanburg County also is an international business center with the highest per capita foreign investment and more than 110 international firms, including BMW Manufacturing Corporation. Spartanburg County offers businesses an excellent transportation system, including highways, rail and truck lines, Greenville-Spartanburg International Airport, and proximity to the Port of Charleston. Spartanburg's location at the crossroads of two major interstate highways, I-85 and I-26, put it at the top of the list for business and personal relocation.
